## "Affective Regimes in Turkey and Beyond"

Thursday

5th December 2019

6:00-8:00 pm

Seminarzentrum L 113

Otto-von-Simson-Str. 26

14195 Berlin

The talk studies the political incitement to nationalistically orientated affects, as well as the discouragement and criminalisation of non-nationalist affects in contemporary Turkey. It explores how the affects have become a central component of governance.
